By those dark eyes, where light is ever playing, Where Love is  
If, after all, you still will doubt and fear me, And think this

depth of shadow holds his throne, And by those lips, which give whatever thou'st  
heart to other loves will stray, If I must swear, then, lovely doubter,

say - ing, O! grave or gay a Music of its own, A music  
 hear me, By ev'ry dream I have when thou'rt away, By ev'ry

far be - yond all min - strels play - ing, I love but  
 throb I feel when thou art near me, I love but

thee! I love but thee!  
 thee! I love but thee!

I love but thee. 2.
